Description

T7 SERIES – TIER 4B TRACTOR

1180-300hp Range

T7 tractors boast New Holland's cutting-edge and award-winning ECOBlue™ HI-eSCR (High-Efficiency Selective Catalytic Reduction) engine technology

FOUR MODELS RIGHT FOR YOUR FARM

The new T7 range was developed following intensive consultations with New Holland customers including contractors, arable and cash crop farmers.

T7 RANGE: TEN MODELS. THREE TRANSMISSIONS. COUNTLESS AWARDS.

The T7 long wheelbase is part of the extended T7 family which means there is a New Holland T7 tractor to match all of your specific business

needs.
